JEFF NG

**LOCAL OPERATIONS
SINCE 2020**

Hi, I am Jeff! I was born in Cambodia but grew up in Singapore. I live in Siem Reap now and run a guest house business. During my free time, I like to go fishing or any other outdoor activities

If you had to write a book, what will the title be? Why?

Mybook's title will be 'Harsh' because it is not an easy time during the current pandemic.

How did you get to know PS and how did you become involved?

Me and my sister met Victoria in a restaurant a couple of years ago. Since then, we got to know about PeopleStories and glad to get involved.

Why PeopleStories?

PeopleStories not only gives fish to our scholarship students, we also teach our students how to fish for themselves.

If you could say something to your 10-year-old self, what would it be?

A father of 4 now.

If you are granted 3 wishes to make the world a better place, what would those wishes be?

- 1)No global hunger
- 2)No corruption
- 3)No drug trafficking
